

(昭和57年改正の建築基準法・同施行令に基づく風圧力 GL+0m に依る)

A diagram of a vertical chain with circular ends and a central knot. The top circular end has a small circle inside with a dot and the number '38' next to it. The bottom circular end has a small circle inside with a dot. The chain is composed of several interlocking links. A dashed vertical line runs through the center of the chain. An arrow points from the text '水拔穴' (Water Extraction Point) to the bottom circular end. Below the diagram, the text 'φ 9. 5c. t. c. 300' is written.

1. 外装は金網類を除く他は溶融亜鉛めっきとする。
2. 本柵の金網規格は下記の通りとする。
 - φ2. 6×40mm、φ2. 6×56mm
 - φ3. 2×50mm、φ3. 2×56mm
