() 内は芯径を示す。

Technical drawing of a door handle assembly. The drawing shows a side view of the handle with dimensions in millimeters. The handle has a cylindrical grip with a diameter of 55 mm and a mounting plate with a diameter of 53 mm. The distance from the center of the grip to the center of the mounting plate is 55 mm. The distance from the center of the mounting plate to the center of the door knob is 53 mm. The door knob has a diameter of 58 mm. The distance from the center of the door knob to the center of the door is 66 mm. The total distance from the center of the door knob to the center of the door is 124 mm. The door is labeled "開き方向" (Opening direction) with an arrow indicating the handle is turned clockwise. The door is labeled "扉枠" (Door frame) and "門柱" (Door post).
